

REMARKS

In the Notice of Non-Compliant Amendment, it was indicated that the “Amendments to the Claims” section included claims lacking proper status identifiers. The “Amendments to the Claims” section is therefore resubmitted, and the claims all include the proper status identifiers.. The originally submitted remarks are incorporated by reference and remain pertinent. Favorable reconsideration of the application is respectfully requested.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
